There are four essay questions. Question two has two parts. The length of your answers is up to you but 400 to 500 words per answer should be sufficient. A brief video (.mp4 is preferred) or YouTube link presenting an introduction, summary or conclusion of your written responses will be accepted and considered as part of the overall application. Submission of this video is strictly voluntary and up to you.

1. Describe the world you come from and how it has shaped you into the person you are today.

2. There are two parts to this question.
 - a. You have chosen a major in Science, Technology, Engineering or Math (STEM). Why?
 - b. Why is STEM important, particularly to you as a woman and women in general?

3. You recently submitted a video to YouTube. It has just received its millionth hit. Describe what it is about.

4. The namesake of this scholarship, Mary Ellen Geyer, dedicated much of her life to providing healthcare to the helpless and under-served. Please describe some examples of the ways that you have contributed in the past, and how you plan on using your STEM skills to contribute to society in the future.

5. (Optional). Create a one-minute video saved in .mp4 format. Briefly introduce yourself and explain why you are deserving of this scholarship. Provide a link to the video below.

Application checklist:

Have you:

- Met the eligibility requirements?
 - Rising 3rd or 4th year female undergraduate student
 - Declared STEM (Engineering, Technology) major
 - Overall 3.0/4.0 grade point average
 - Student in good standing at the American University of Iraq-Sulaimani.

- Completed the entire application including complete answers to the four essay questions?

- Checked spelling and grammar?

- Included a copy of your most recent college transcript?

- Included a one minute video (.mp4 only) introducing yourself and explaining why you deserve this scholarship. This video is NOT required but strongly recommended.

- checked the link? Does it work?

- Included resumes/CVs and any other documentation that you would like the scholarship committee to consider? Have you done a project in your field that you were particularly proud of that exemplifies your passion and skills? We would like to know about it. Feel free to send us a video explaining/demonstrating your project.
